

# HAITI EDUCATION SPONSORSHIPS

## The Schools of Grann Plaine, Île-a-Vache, Haiti

*Ecole Sainte Trinite of Île-a-Vache*

*Grace School of Île-a-Vache*

### SPONSORSHIP PROGRAM

Thank you for considering an education sponsorship to help a Haitian child attend one of these two schools. The cost to send one child to school each year has slightly increased to \$25/month. In the event that your child changes schools during the year or exits the program for any reason, your sponsorship dollars will remain in the program and will assist another child. If this occurs, a new child will be assigned to you and a new photo will be mailed to your attention.

### FEEDING PROGRAM

The school feeding program provides each student with one meal each day they attend school. For many children, this may be their only meal of the day. The cost of feeding one child for an entire school year is estimated to be \$65 a year. Please consider a voluntary, additional contribution of any amount towards sustaining this feeding program.

### MEMORIAL & REBUILDING A SCHOOL

Following a long struggle with diabetes, Pastor Bouloute passed away in January 2018. He pastored a church in Grann Plaine, Île-a-Vache and was administrator of Ecole Sainte Trinite. Hurricane Matthew hit his ministry hard and we are still working to rebuild the church/school. The photos here show the temporary school structure and all that remains of the school following the hurricane.
